## OUR TEAM

The **Newsome Ice Wolves** Hockey team is a proud member of the Lightning High School Hockey League. This group of young men strive to advance their development to reach the highest level of hockey they can achieve. Your support of our team gives them the hope and opportunity to fulfill their dreams and play the game we all love. **Thank you.....**

**...TAMPA BAY** – The Tampa Bay Lightning, through its Community Hockey Development Department, oversees the Lightning High School Hockey League (LHSHL).

*“Our goals in operating the new LHSHL include expanding and growing participation in the game, elevating high school hockey to an advanced competitive level for student athletes, creating a developmental structure where underclassmen and women are able to improve their skills, and creating an environment where student athletes recognize the importance of academics and the need for good sportsmanship and community service,”* said Jay Feaster, Executive Director of Community Hockey Development for the Lightning, and President of the new LHSHL.
